

LE MARCHE E LE TERRE DELLA MARCA SENONE - DESTINATION WEDDING

We were inspired by an area that surprises and excites with its enchanted villages steeped in beauty and spirituality, with its coasts kissed by the sea and with its extraordinary quality of food and typical products. Qualities that embrace the bride and groom and accompany their guests in a complete sensory experience. Our wedding planning activity is all about creating memorable and timeless destination weddings! The experience of marriage transcends boundaries, becoming an emotion to be shared with those you love, making the most of the chosen places, situations, and events.

Whether it is an elopement or a wedding with many or few guests, rustic or elegant, regardless of the budget, I am committed to creating an unforgettable all-Italian experience for you!

Our wedding planning business specialized in creating memorable and timeless destination weddings!

We are here to be your local planner with an international attitude.

Much more than a wedding, a true experience of everything that makes Italy a unique country...

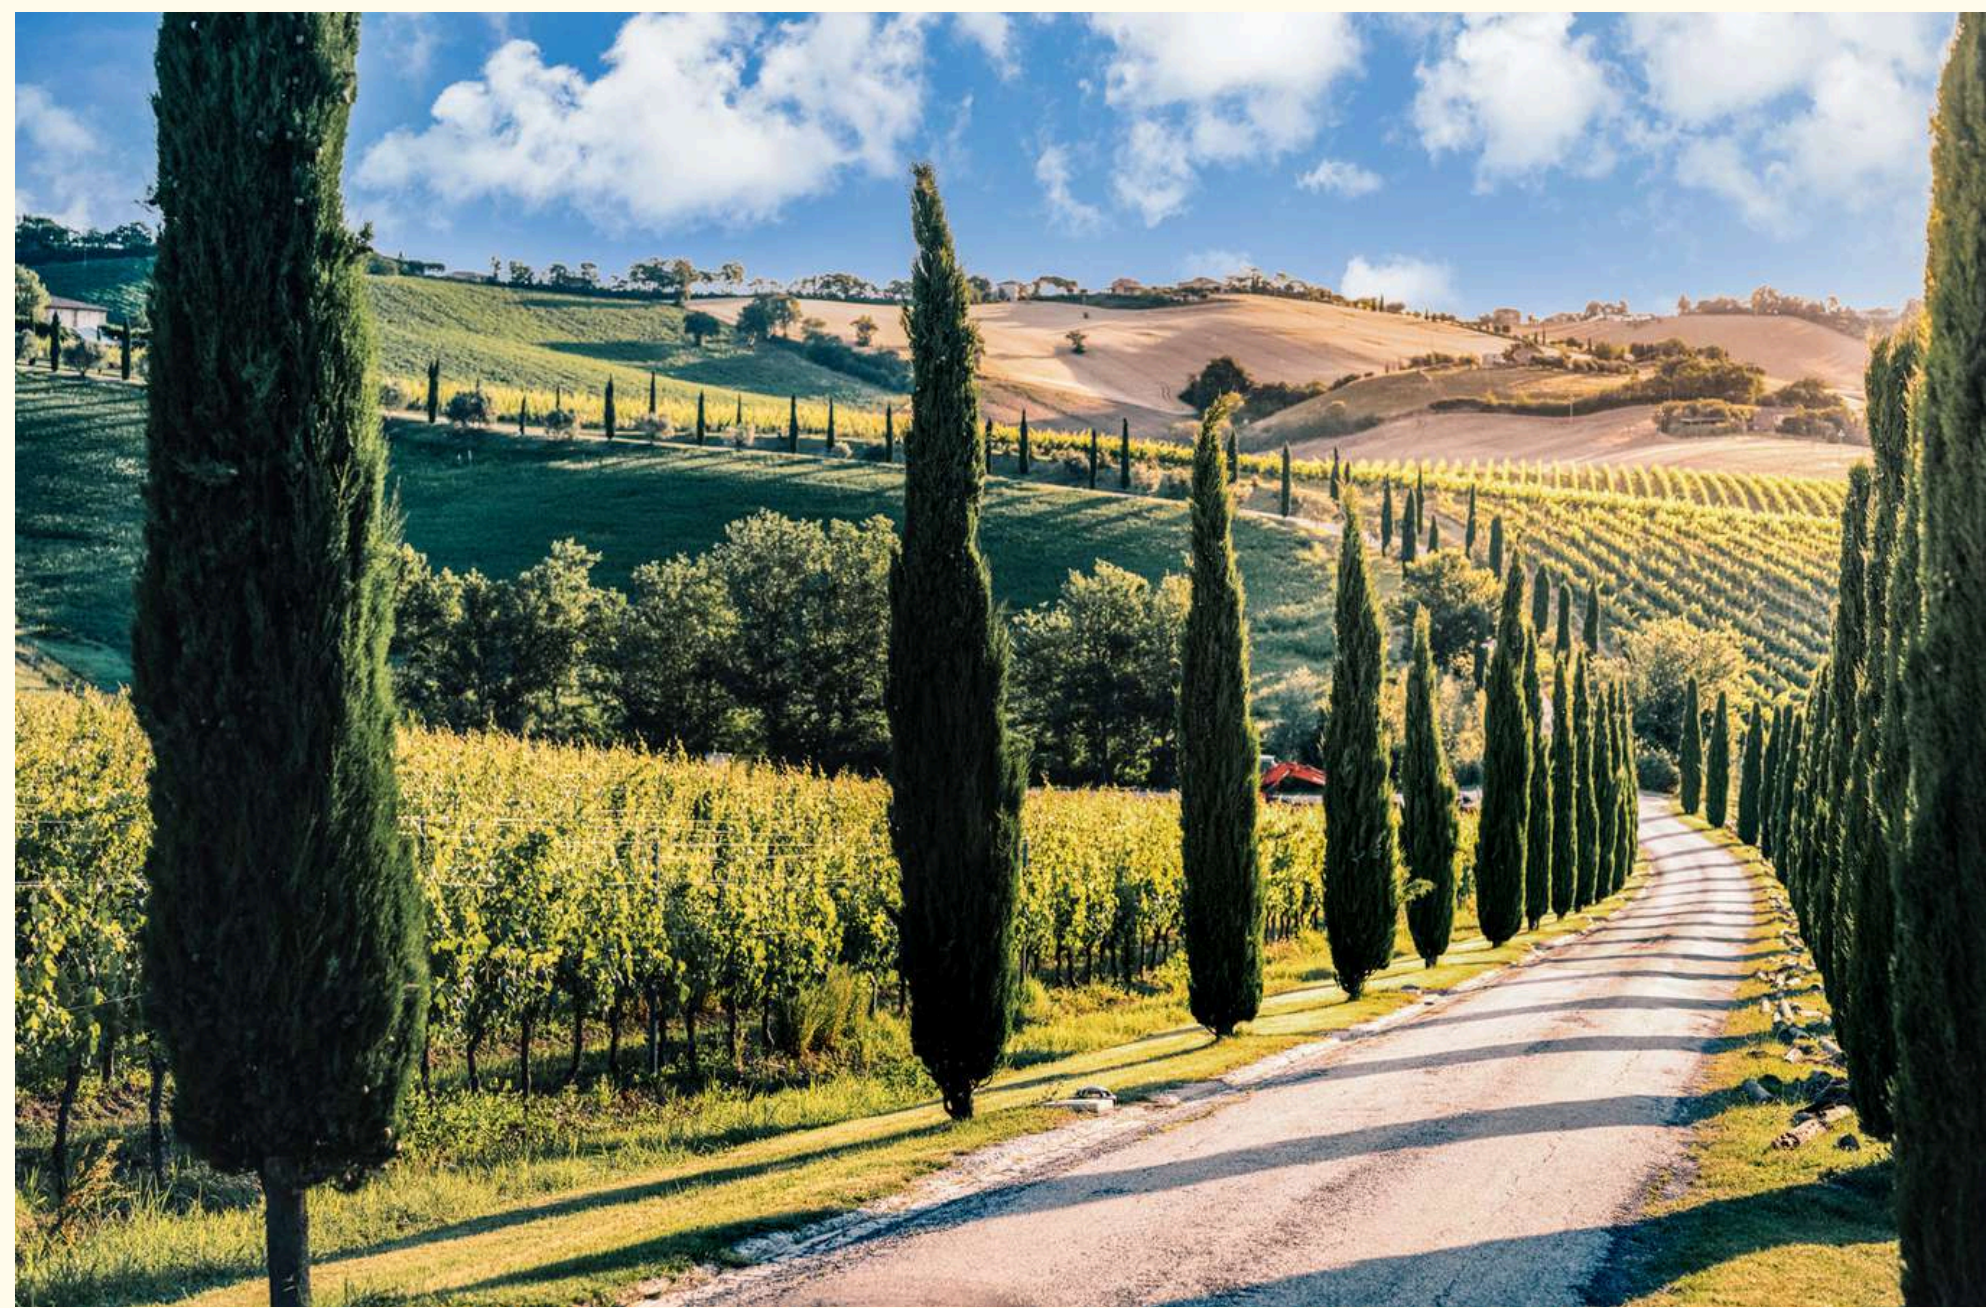

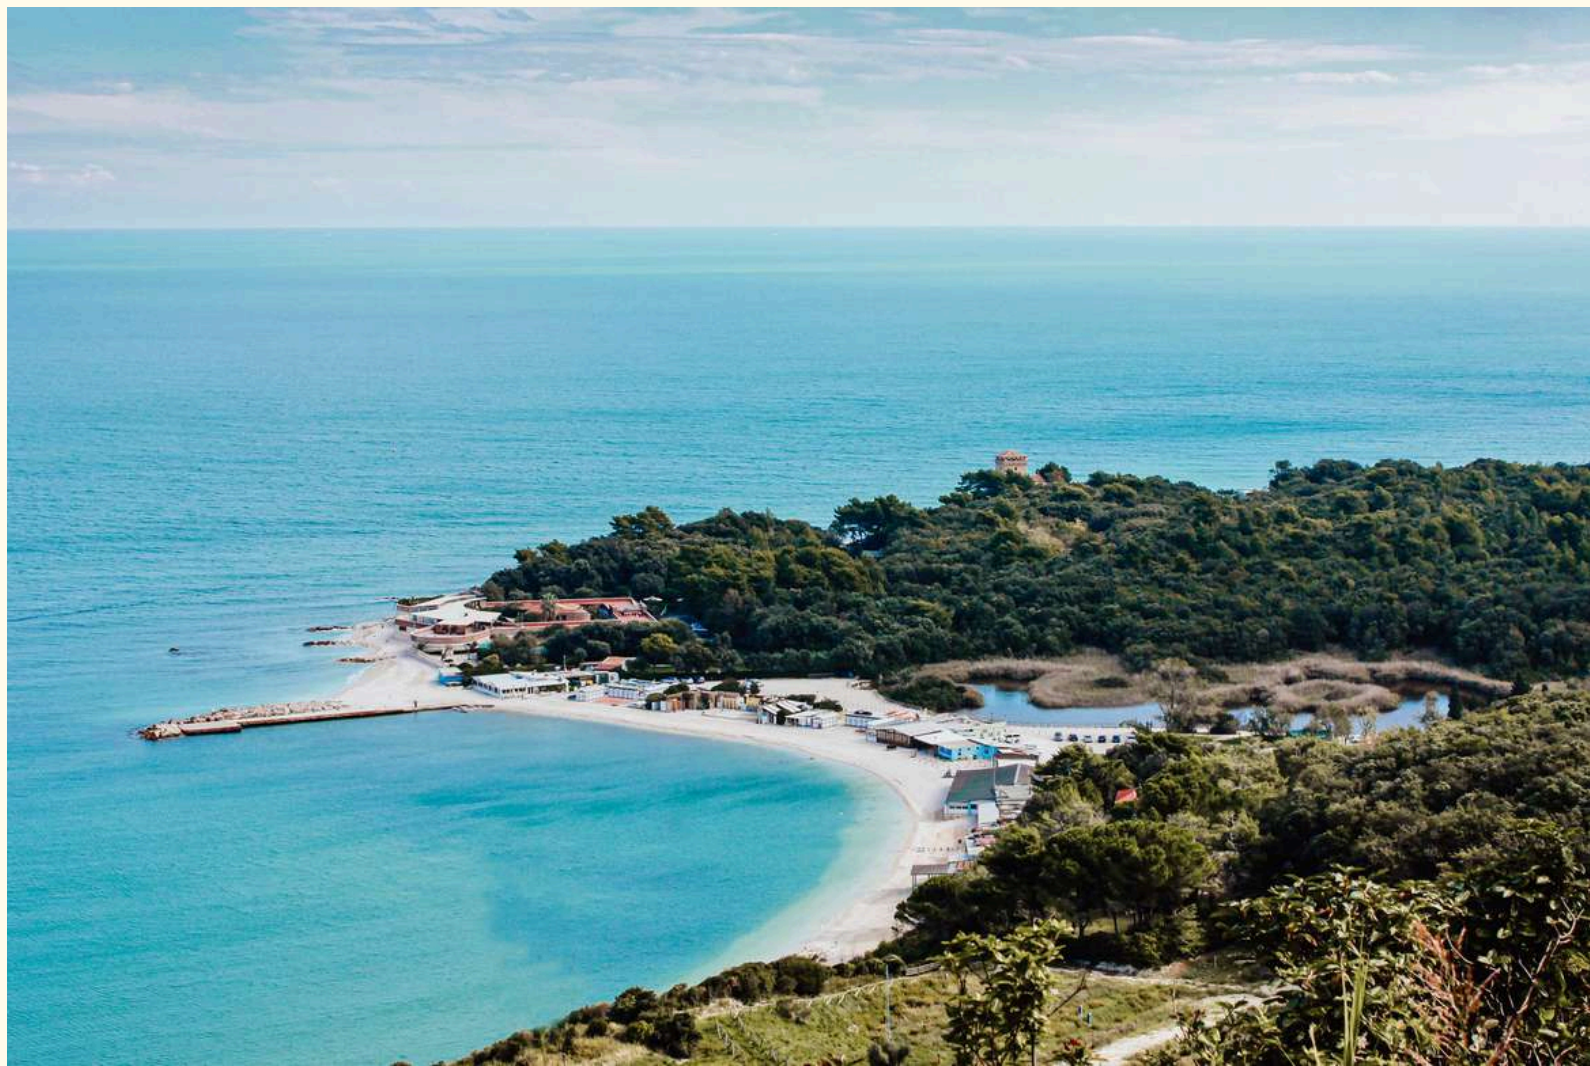

We also believe that experience, knowledge of the area and familiarity with local customs are crucial for both foreign and Italian couples in wedding planning and logistics. A program tailored to your need will ensure that your Italian wedding is unique. With attention to detail, originality and local traditions we aim to make you feel loved and at home among friends. Let the emotions evoked by the Marche region inspire us to make your most important day even more special...
